1. The attached is the ranked listing of DDA proposed projects. It should be noted that in certain instances (Nos. 4, 7, and 8) we combined areas with generic relationships. Number 9 is cited in both Office of Security and Office of Data Processing listing because they are primarily projects directed toward the same end. We consider No. 1 through 9 as our top priority projects.

2. Should you have questions, please call me on ext. [REDACTED]
